outsmarting cyber risk together.

NOW PROTECTING YOUR BUSINESS & EMPLOYEES WORKING FROM HOME

All businesses need help in the fight against cyber attacks — now more than ever - as thousands of employees are working from home. Attacks are following employees home where access points may be more vulnerable.

That's where Cyberboxx™ steps in.

Cyberboxx™ insures your business and employees.
Our coverage and services include:

- Attacks through employee owned devices including phishing
- 24/7 breach response specialists available on speed-dial
- Complementary access to BOXX's Cyber Risk e-awareness program

* Subject to policy terms and conditions.
